The most expensive BACARDI rum ever made is a LIMITED EDITION blend called RON BACARDI, DE MAESTROS DE RON, VINTAGE: MMXII. This rum retails for $2,000 and was crafted by eight family blenders to celebrate the 150 years of BACARDI.

BACARDI rums are mellowed in charred American oak barrels.

If we vertically stacked all of the barrels, the height would equal more than 676 Empire State Building structures.
